Team Name: sdmay24-43
Team Members: Peter Wissman, Andrew Kraft, Gavin Petrak, Jacob Nedder, Jack Doe
Report Period: Aug 28-Sept 17

Summary of Progress in this Period

- Communication between all teams has begun
- Designated what each group would like to work on (Track or Cars)
- Created a Race of Doom discord server for our individual team, and the other teams also participating
- Were made aware of upcoming PowerPoint presentation to be done in class/which class section to attend

Pending Issues

- Career Fair impeded progress on significant meetings and discussions
- Have not yet met with other teams to discuss criteria for the Track team and the Cars teams

Plans for Upcoming Reporting Period

- Communicate with each other to work around the Career Fair for planning meetings
- Have a meeting with the other teams to determine constraints and a more defined project description
- Work on and complete this week's assignments: Engineering Standards/Requirements Talk and Documentation
